Seminar Motion Furniture - Manufactured by Recliners

Our Partnership

At Recliners, we take immense pride in being a leading specialist in seating solutions, based in the heart of the South Wales Valleys. Since our founding in 2001, we have spent over two decades refining our craft, creating high-quality seating that combines comfort, durability, and style. In 2024, Recliners joined forces with Seminar Components, the UK's leading manufacturer of specialist seating mechanisms, marking a new chapter in our journey. Both businesses share a deep-rooted commitment to quality, innovation, and craftsmanship — values that have positioned us at the forefront of the industry. As two family-run businesses, this partnership represents a fusion of expertise, securing a lasting legacy for future generations while continuing to drive innovation in seating solutions.

Seminar Motion Furniture

With this strong foundation, we have created Seminar Motion Furniture — a premium brand within Recliners, designed to elevate comfort and performance.

Why Seminar Motion Furniture?

The Seminar name is already recognised across the industry for its UK-made mechanisms, trusted by manufacturers for their engineering excellence. Seminar Motion Furniture builds upon this reputation, ensuring that every chair reflects:

- Premium materials and upholstery
- Enhanced comfort through upgraded mechanisms
- Refined aesthetics tailored for modern interiors
- A 5-year warranty for lasting peace of mind

This brand embodies our shared vision:
To manufacture seating solutions that set new standards of craftsmanship and reliability.

With Seminar Motion Furniture, manufactured by Recliners, we unite decades of expertise to deliver a new level of innovation, ensuring a legacy of excellence for years to come.

“Founded in 2001 with a dedicated team of experienced professionals”

COASTAL COLLECTION

Pennan

The Pennan Tilt-in-Space Dual (2) Motor Recliner is expertly designed for luxury, support, and long-lasting comfort. With its advanced positioning system, it provides full-body support throughout movement, making it ideal for extended sitting periods.

Pleated Scroll Arm

The Pennan features elegantly hand-pleated scroll arms, delivering a beautifully finished touch that embodies true traditional style.

Premium Sprung Seat

Built with a premium sprung seat module using reflex foam, the Pennan offers superior support and comfort.

3 Tier-Drop Back

The Pennan comes complete with a 3 Tier-Drop Back offering enhanced postural support and adaptable comfort.

3 Tier-Drop Back

The Pennan includes complimentary Head & Arm covers.

Medium & Large

LIFT CAPACITY	FOOTREST CAPACITY
160kg/25st	60kg/9st

Variable Angle Lift (VAL)

This heavy-duty Tilt-in-Space (TIS) lift and recline mechanism is designed for maximum comfort and support. It features a dual motor system that allows independent movement of the backrest and footrest, enabling you to recline without altering your preferred seat angle. The TIS function helps maintain the body's natural posture by tilting the entire seat while keeping the hip, knee, and ankle position fixed. This reduces pressure points and enhances overall comfort, making it ideal for individuals who spend extended periods seated.

COASTAL COLLECTION

Cullen

The Cullen Tilt-in-Space Dual (2) Motor Recliner is designed for superior comfort and effortless relaxation. With its smooth, supportive movement, this premium chair provides exceptional posture support while helping to relieve pressure during extended sitting.

Real Wooden Knuckles

The Cullen showcases elegantly crafted wooden knuckles, designed for comfort & additional user support. Made from premium-quality wood, available in Teak as standard.

Premium Sprung Seat

Built with a premium sprung seat module using reflex foam, the Cullen offers superior support and comfort.

Fibre Lateral Back

The Cullen comes complete with a fibre filled Lateral Back, providing extra side support to the lower back, helping users stay centred and stable.

Fibre Lateral Back

The Cullen includes complimentary Head & Arm covers.

COASTAL COLLECTION

Lymington

The Lymington Tilt-in-Space Quad (4) Motor Recliner epitomises luxury: dual independent recline and integrated powered headrest and lumbar settings allow complete customisation of support from head-to-foot.

Pleated Scroll Arm

The Lymington features elegantly hand-pleated scroll arms, delivering a beautifully finished touch that embodies true traditional style.

Premium Sprung Seat

Built with a premium sprung seat module using reflex foam, the Lymington offers superior support and comfort.

Power Headrest & Lumbar

The powered headrest and lumbar adjust independently via the handset, allowing tailored support and comfort at the touch of a button.

3 Tier-Drop Back

The Lymington includes complimentary Head & Arm covers.

Made-to-Order

FEATURE CUSTOMISATION

Which Features Can Be Customised?

Our Made-to-Order Coastal Collection chairs are built using the standard Size Matrix measurements but allow for limited customisation to better suit your personal preferences and comfort needs.

- ✓ **Fabric Design** Select a fabric and colour that complements your home décor.
- ✓ **Back Cushions** Adjust for extra comfort, improved postural support, or simply to match your style.
- ✓ **Knuckles** A choice of three colour options: Teak, Mahogany & Natural.
- ✓ **Control Position** Choose a left-handed control operation if conveniently preferred.
- ✓ **Glides / Castors** Select glides for stability or castors for easier movement.
- ✓ **Seat Firmness** Choose from a softer or firmer base to suit your seating preference.
- ✗ **Sizing** Sizing modification is NOT available on Made-to-Order.

Made-to-Measure

PERSONALISED SIZE CUSTOMISATION

Which Dimensions Can Be Customised?

Our Made-to-Measure Coastal Collection chairs can be customised to your specific requirements. This includes key dimensions such as Seat Height, Seat Width, Seat Depth, Back Height & Arm height.

- ✓ **Sizing** Please speak to your seating specialist to be fully assessed.
- ✓ **Fabric Design** Select a fabric and colour that complements your home décor.
- ✓ **Back Cushions** Adjust for extra comfort, improved postural support, or simply to match your style.
- ✓ **Knuckles** A choice of three colour options: Teak, Mahogany & Natural.
- ✓ **Control Position** Choose a left-handed control operation if conveniently preferred.
- ✓ **Glides / Castors** Select glides for stability or castors for easier movement.
- ✓ **Seat Firmness** Choose from a softer or firmer base to suit your seating preference.

Enhanced Accessibility

Variable Angled Lift (VAL Lift)

The Medium and Large sizes within our chair collection feature a Variable Angled Lift (VAL Lift), designed to provide a customisable lift angle to suit your sit to stand preferences. The seat tilt is standard at 30 degrees but can be adjusted to 20 or 10 degrees, offering an almost vertical lift for maximum ease of use.

10 Degree

20 Degree

30 Degree

Stability & Safety

The adjustable lift provides flexibility in setting the finish rise position while prioritising safety. Its easy-to-use pin system lets you independently adjust the angle as needed.

Who Can Benefit?

This feature can be beneficial for wheelchair users, individuals who suffer from vertigo, or those requiring additional support from hoists and standing aids.

Superior Support & Comfort

Why Tilt-in-Space?

Our Tilt-in-Space movement provides exceptional postural support, helping users stay comfortable and independent. The unique Tilt-in-Space function keeps the head, back, and body fully supported at all times, evenly distributing pressure to help reduce the risk of sores and discomfort.

With effortless adjustment at the touch of a button, Tilt-in-Space naturally shifts weight to enhance circulation, prevent pressure buildup, and improve blood flow. Tilt-in-Space also promotes better spinal alignment, reducing strain on muscles and joints, which may help prevent long-term musculoskeletal issues.

For those with limited mobility, Tilt-in-Space furniture makes it easier to find a comfortable and supportive position, minimising the effort needed to adjust posture. The improved positioning also supports better breathing, keeping the chest open and allowing the lungs to expand more fully.

Designed for Independence

Tilt-in-Space movement allows users to adjust their position easily, giving them greater control over their comfort & mobility.

Who Can Benefit?

Ideal for individuals with mobility issues, postural challenges, or those at risk of pressure sores.

Your Castelan Warranty

Castelan is the UK’s leading provider of furniture warranty and repair services, offering comprehensive coverage for your purchase. Our warranty guarantees peace of mind for five years, ensuring that if your furniture requires repair or replacement, it will be handled swiftly and professionally.

Key Benefits of Your Warranty

Peace of Mind: Enjoy five years of coverage with repair or replace policies that include a credit note reimbursement for full retail value plus an administrative fee.

Comprehensive Coverage: Includes accidental damage, structural issues, and even stains—all suddenly occurring and accidental incidents are covered under this plan.

Specialised Support: In-house repair technicians equipped with mobile workshops cover the entire UK, including Ireland and the Channel Islands. Service appointments are booked within 3-5 days, and vulnerable customers receive priority scheduling.

Easy Online Registration: Register your warranty online with full management information and support from a personal account manager.

Coverage Details

Stain Coverage: Any sudden and accidental stains are fully covered; this includes odours following stain treatment, ensuring your Recliner remains in pristine condition.

Accidental Damage Protection: Covers structural damage, breakages to components like zips and recliner actions, and damage from children or pets.

Electronics and Structural Integrity: From USB ports and integrated electronics to the basic frame and cushion interiors, every part of your chair is protected.

Claims can be made easily via phone or online within 28 days of noticing an issue. Castelan strives to reduce claim declines and complaints, ensuring that every interaction meets or exceeds your expectations.

This warranty service by Castelan not only covers all necessary repairs and potential replacements but also ensures that your product maintains its functionality and appearance, adding value and satisfaction to your purchase.
