Live your life – without limits.

The SMOOV one is the perfect power assist for active wheelchair people.

With a range of up to 20 km, this powerful drive unit gets you to your destination in style. You can easily charge the battery from any mains socket.

With a maximum speed of 10 km/h, the SMOOV is your nippy every day companion. You can even drive over curbs and edges thanks to the flexible wheel and the 360° swivel fork.

The SMOOV takes you to places that you've always wanted to go. It is reliable on all kinds of different surfaces – even hills and slopes up to 16% are no problem with the SMOOV.
